Cincinnati Medical Association

P.O. Box 37287
Cincinnati, OH 45222

Dear Dr.

Thank you for investing in excellence at the University of Cincinnati through your generous gift to the Cincinnati Medical Association Scholarship Fund. Collaboration is a hallmark at UC, and we sincerely value your partnership in creating and maintaining a world-class university through philanthropic support.

Your thoughtfulness and vision in creating this scholarship fund will benefit our students, the College of Medicine, the University and our community for many generations to come. The scholarships will help our medical students excel at their studies while overcoming financial challenges as they pursue their degrees.

Your donation creates a ripple effect reaching far beyond the City of Cincinnati. Today's students are tomorrow's alumni, taking the lessons they learned at UC into communities and countries around the world. In addition, innovations pioneered by our doctors have the power to change and improve lives everywhere. Your gift ensures our medical programs will prepare tomorrow's leaders for a lifetime of success.

We are truly grateful for the support of your organization, and we appreciate your commitment to our students, faculty and staff. Once again, thank you for furthering excellence at the University of Cincinnati.

Sincerely,

A handwritten signature in cursive script that reads 'Rodney M. Grabowski'.
